THIS CONFERENCE PROMISES TO BE A LIFE-CHANGING, WORLD-ALTERING WEEKEND!

We will dig deep into our hearts and souls to expose all the hidden lies and strongholds that have kept us from becoming the person God has created us to be. The goal of this conference is to help you identify the areas of your life that need God's wisdom and understanding applied to them. Not only will it prepare you for marriage, but it will prepare you for life! You, by the grace of God, will never be the same!

WIT/ SINGLES CONFERENCE

Verity Institute • South Campus
11850 Brookville Road
Indianapolis, IN 46239

During the past several years, Paul and Jenny Speed have had the joy of speaking to thousands of young people across America. They have helped many of these young people find freedom in their lives and a deeper love for God. The Speeds hearts' desire is to equip young people by giving them the tools they need to walk in freedom and truth, and to empower them to be world changers! Out of this desire "WIT for Singles" was born!

"Since I had made some wrong choices in my past, I believed that my future would always be defined by my failures. I thought that I could never break free from it, and that it would always follow me and hinder my ministry. Thank you Paul and Jenny for helping me to see that I am not that person anymore! I am learning more about the character of Christ because I understand He is the One Who defines me now."

"As I sit by watching older couples struggling because of choices in their past, I realize that their past is my present; and their present is my future—if nothing changes. I am learning to apply these truths to my life now, so that I won't have to have to deal with those issues later."

"... Now I realize my life is not all about me! I now have a whole new perspective on my life and relationships, and that inner joy that comes from having Christ as my center focus."
